Extraordinary

Northern Lights Adventure

View the Northern Lights from a remote wilderness lodge

During the Fall, daylight soft adventure activities such as guided hiking, canoeing and fishing are offered. Come Winter, your soft adventure activities can include snowshoeing, dog sledding, ice fishing and snowmobile. At night when the "lights" come out to dance you can sit back on your private deck to watch this magical experience.

Departs 2018/19:
Daily from September to end March

LARGER THAN LIFE

Whitehorse Aurora Viewing

4 days/3 nights Located city centre

Spent 3 nights in a comfortable downtown hotel, where you will have time to explore and enjoy some of the many activities on offer. Each evening your guide will drive you from the hotel to the Aurora Viewing cabin, hot drinks and snacks are provided during the night as you wait for the Aurora to appear.

Day 1: Arrive Whitehorse

Transfer to your hotel balance of the afternoon at leisure. We highly recommend craft beer tasting at a local brewery. Over the next three nights you

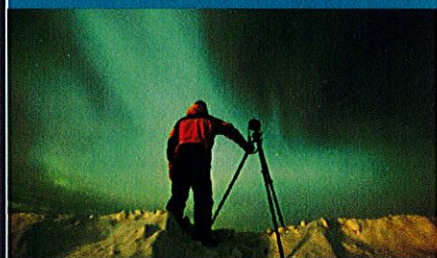

will be collected from the hotel and driven to the Aurora Cabin just outside of the city.

Days 2-3: Whitehorse & Aurora Viewing

This morning enjoy the included city tour then time over the next two days for optional activities such as, guided snowmobile ride on the lake, guided dog sledding, snowshoeing, aerial flightseeing, visit the Wildlife Preserve, soak in the hot springs and more. Evening Aurora Viewing.

Day 4: Depart Whitehorse

Transfer to the airport.

Price per person 3 nights
Twin share from \$700pp

Includes: Whitehorse accommodation, transfers and tours as listed, 3 nights Aurora viewing.
